モザイク・ラセン

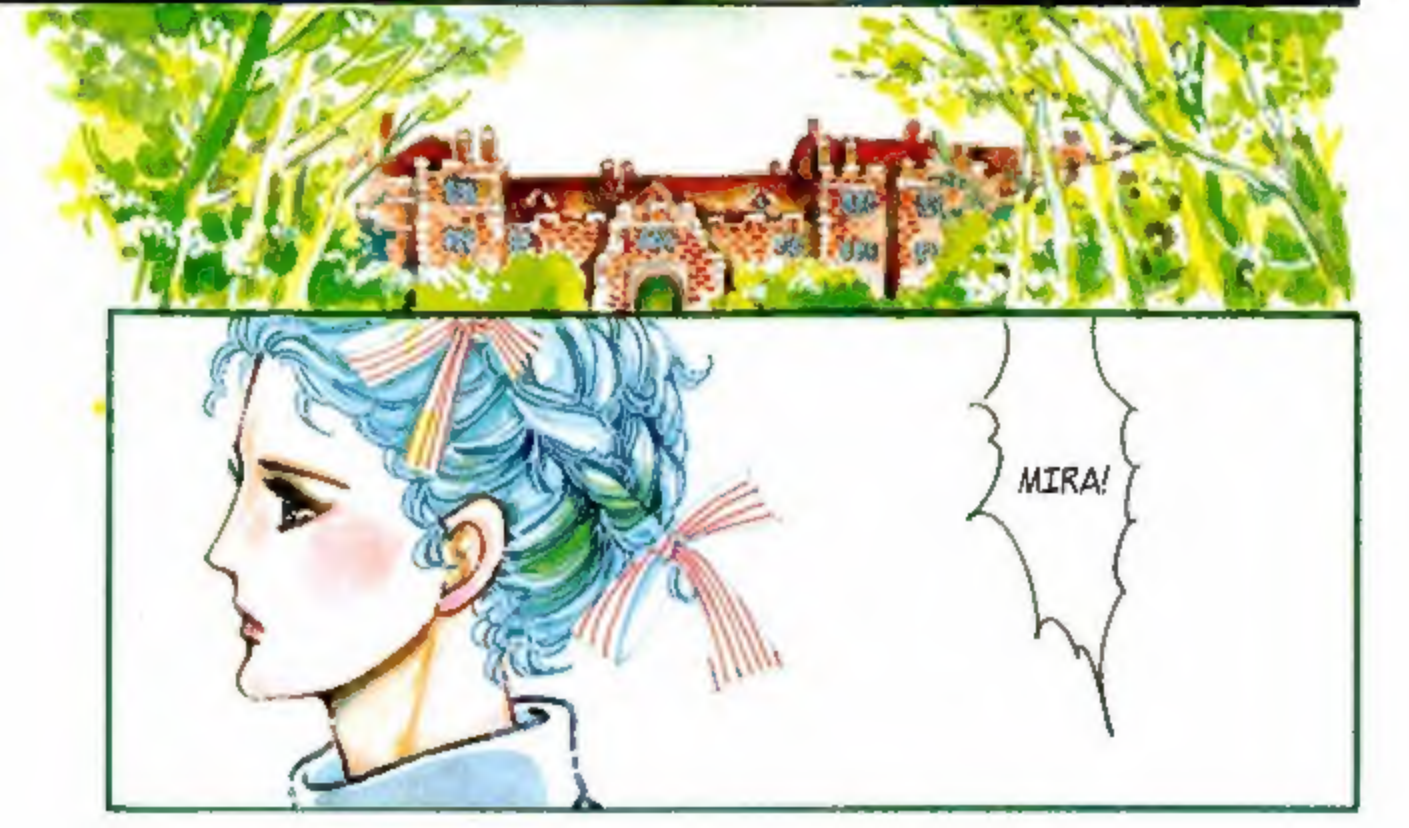
I was eight years old...
The first time I had that dream about him...
An...
In my dream I am a little white bird and I'm flying...
Then I reach a valley where I find a black bird.
Who are you?
Who are you?
Because of the wind my voice can't reach him...
..Me?
laugh
I'm afraid...
It's green...
Mom's pinky...
An...
It's strange...
It's a restless dream.
As months and years went by, he and I reached adulthood.
Like a nocturnal visitor, I went to the valley...

Soon enough the green color will reach their remaining eye and when that happens...
Both father and mother's bodies have become green save their left eye.
Meri-dian...
It's the end.
...I will be next.
...the dream ceased.
After that...



MIRA!

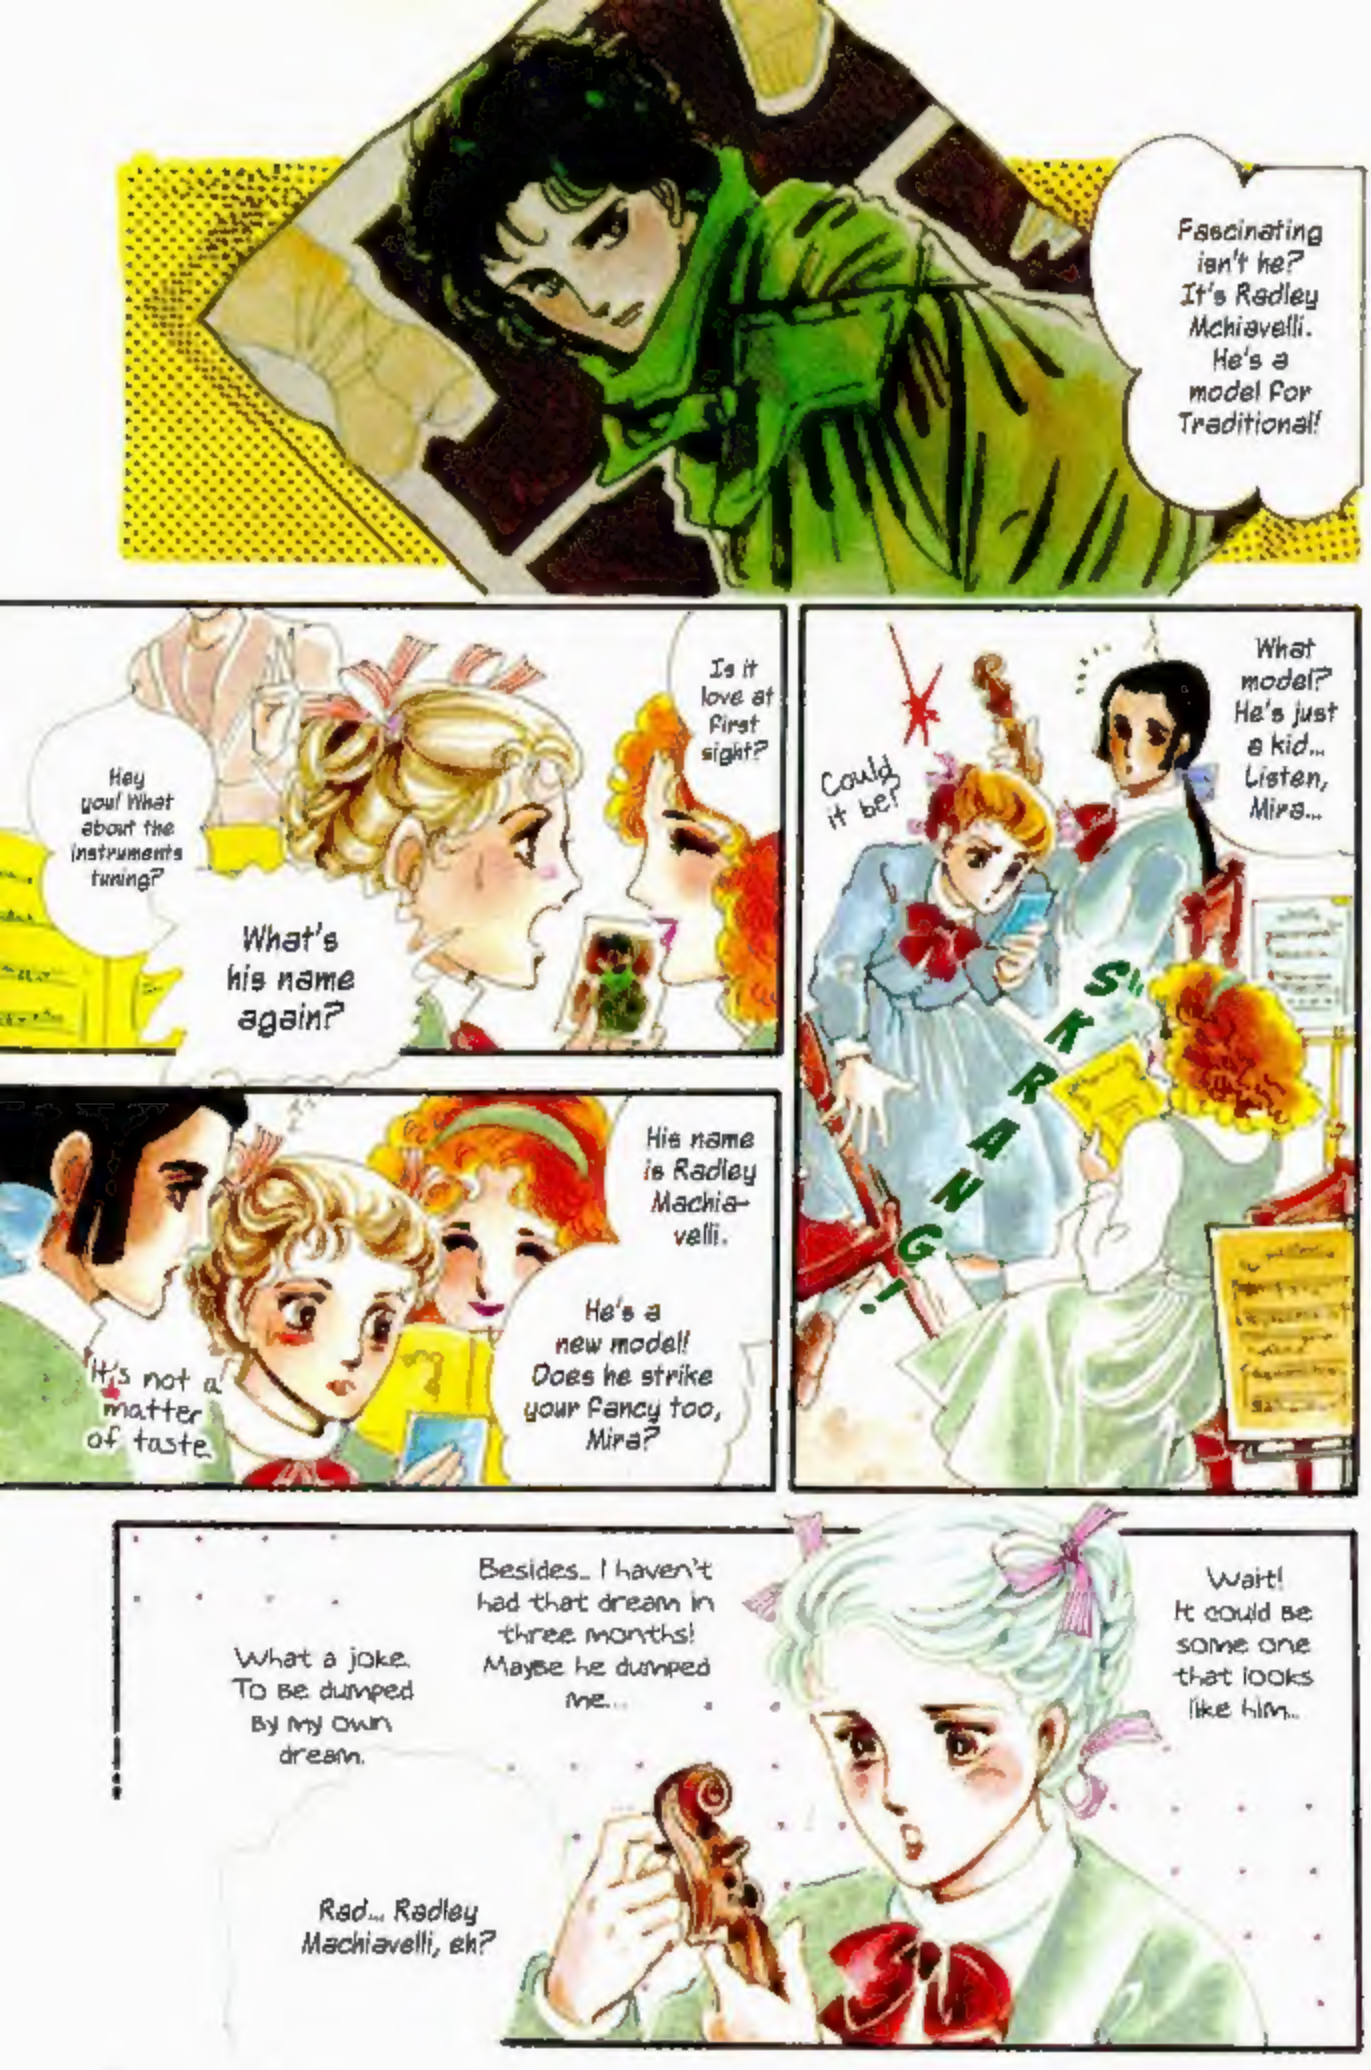
And what have you concluded?
I was thinking about our youth and the limits of our world.
All girls school's dormitories...
SUCK!!

What's wrong Mira? You're spacing out?
AH!
Samathy.

Yeah, he's coming from the other side of the world.
Archeologists are really hole diggers.
Have you receive your Father's letter?
Don't be like that. You enrolled when you where eight years old, you know we are like your family.

Start tuning the instruments.
Come on, stop the chatter.

What is it Polda?
Want to see something good?
Hey, Mira, Samathy.



Fascinating isn't he? It's Radley Machiavelli. He's a model for Traditional!
Hey you! What about the instruments tuning?
What's his name again?
Is it love at first sight?
What model? He's just a kid... Listen, Mira...
Could it be?
SKRANG!
His name is Radley Machia-velli.
He's a new model! Does he strike your fancy too, Mira?
It's not a matter of taste.
What a joke. To be dumped by my own dream.
Besides.. I haven't had that dream in three months! Maybe he dumped me...
Wait! It could be some one that looks like him..
Rad... Radley Machiavelli, eh?

Radley Machiavelli
Ehm...
...The syllables.
?
Mira?
The musical scale.
The tone ...
Even if there it's a coincidence.
DIN
The timbre ...
In the end it's only a dream...
DIN
Radley.
A vibration...
Radley.
Radley.
Teacher! Mira...
Mira!
A resonance. ...
Meridian!
Rad..!?

Miridian!
Radley, run away!
Fire!? It's a fire!
Mother...?
Hurry! Radly!

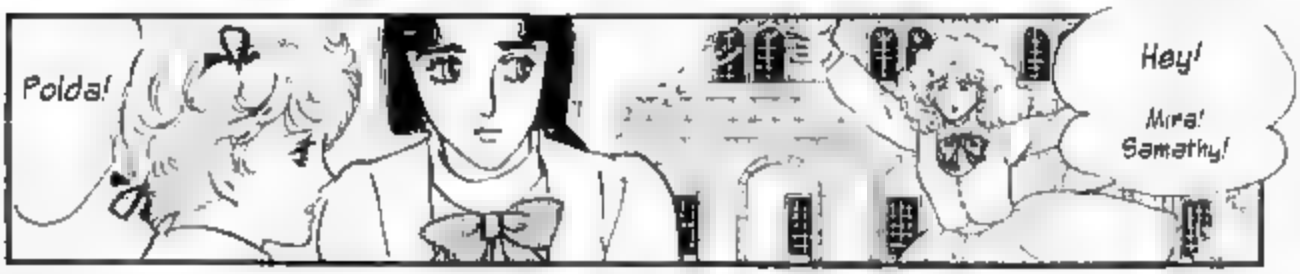
Radley!
Mother!
Mother!

Run!
It's an unknown creature.
You're wrong, that's not a human being.
Run!
Radley!
BANG

Now it's my turn!
The fire-fighters are here! Escape through the window
The window!
My turn.
My turn.
The window! there is someone on the first floor!
Come here!
It's my turn.
I'm here!
Fssssh
Nooo !

AHH!
SFX-SBAM
Who?
Who is it?
Who is keeping the door closed?
Who?
Mira!
...
Are you okay?

Who was it keeping the door closed?
"It's my turn."
Could they have taken him.
Rad-ley.
Or..
Premoni-tory
dreams?
My grandFather used to have premonitory dreams!
It might be telepa-thy.
A green creature?
But the Fire Felt so real!
It was just a dream Samathy.



Polda!
Hey!
Mira! Samathy!

Count me in! I'm coming!
The Tradi-tional publishing house in London!
London!
Lon-don?
I'm meeting my mother and my new Father.
Listen .. Do you wanna come to London with me next week for three days?
Wanna go together?

Hello....
Is this Traditional?
Hi.
But he has to be here!
Oh, hello Ringo
I'm sorry.
He must be an occasional model! He probably worked only once.
At GG they say he is a model from Model Club.
G G
Yes. I'm calling for a model in the september issue . Yes.
Ooh! what a surprise! That model and Mira are acquaintances!
Frush
Machiavelli
...?
He's not here.
Hey... wait!
Girls!!
Eh?
Radley!
Cute ladies! What happened?
They are looking for a model named Machiavelli, but

Say, his parents. Did they appear to be normal?
Turns out he had ran away from home
I found him while looking for models at Piccadilly
He stayed for about a month at my place
But when the issue came out his parents saw the photo and came to take him back home..
...to Hove
Yeah, I was the one who took the photos of Radley.
Raddley was the only one to see the green color
Yes ..
Why?
If things worked out, then maybe. Meridian would find me.
I expected that my parents would come.
But . I thought that ..
Since he ran away from home, it was obvious that they'd find him right away with the publication of the photo, right?
Back then Radley said
Ah, though.
...
Meri-dian.
Are you guys childhood friends or something?
Yes.
Back then I thought to myself: "Who knows if anyone would come"
So he was talking about you?
Yeah! Meridian. A really strange name!
Meri-dian!

I have to go there!
Hove.
"It's my turn."
Radley.
Meridian.
Ok See you Polda
Let's meet the day after tomorrow at the hotel Savoy! We'll go back to school together!
Bye-bye. I'm going to meet up with my mom
THIS WAY!
HEY!
First we need to go to Brighton
Which track is the train for Hove?
Hm? What?
Ta tan Ta taan
Will we be on time?
I'm going to Hove too! I feel like paying a visit to Radley.
Ringo!
Huh?
I had a dream that Radley's home had burned down
SHAAA

In the end they could only save the son who was in the attic.
Last Friday everything was burned. Even his parents.
Oh! She's an acquaintance of the Machiavelli? It was a real tragedy!
FRUSH
The son is at the Over Hill Hospital
Poor thing, it seems likes he still can't get over the shock...
.....
Mira, that dream.
Like I thought, it was premonitory
.....
It's really a scary thing...!
Right?
Man, this is what you call an omen.
Over Hill
Vroom!
I'm scared too...
Something is scaring me!

What a relief
...
Ahh!
So, you're an acquaintance of Radley Machiavelli, the one that was brought in last week?
Mam! Hani?
He said he can take care of Radley.
A gentleman named Mam Hani
Truth is, just yesterday a friend of his came to visit
FRUSH FRUSH
Radley!
It's just that... Because of the shock..
The young man is alright, miraculously, he was not burned at all
He doesn't speak anymore

One at a time otherwise you might scare him.
Is it okay if I go? I...
SCREECH!
I thought I wouldn't be able to meet him.
Thank God I made it in time.
Radley?
Eh?
Excuse me.
...
TAP

What should I do, I'm happy to finally be able to meet him. But.

He can hear the sound of the tuning fork ?

Mira, this man says he comes from Sri Lanka
I am an old friend of the Machiavelli's
My name is Pande Mani Hana
GULP
!
MIRA SHIRAKAWA?
He was someone that was capable of having premonitory dreams.
Yes. We met a couple times in Dublin.
You know! He actually knows my grandfather
Samathy..?
OH ...
You've been having dreams about him since you were a kid. Right Mira?
Samathy!
If you mean premonitory dreams then Mira has them some times
Could it be that I had a forboding feeling..?
When I came back, was shocked about the unfortunate incident that happened to the Machiavelli's.
His fingers aren't green are they?
He's wearing gloves
It's been nine years since the last time I was in England

Can you tell me about one of those dreams?
What? Is he making fun of me?
Sure I've had a couple different dreams and they've all been so strange
There are lots of angels flying around
In the sky there are two or three suns.
There are alluvium and vulcanos
Oh! Inter-esting
Multiple suns, huh?
It's just a dream
No, it's very interesting
Mr. Mani-Hani will you be taking care of Radley?
Yes. In the outskirts of Hove
Since I have a house I previouly bought there
.....
PIN-

RADLEY!
Ahhhh!
RUMBLE

SBAM
No! you will be taken too!
RADLEY!
RADLEY!
What.. What is it? Mira?
What's happ-enng?
BROOM
BROOM

I was finally able to meet him! I could've saved him!
Why did you stop me? He's being taken away!
Meri-dian.
SBAM
He's not here!
He disap-peared!
He's not here!
He seems to have disap-peared!
Impossible, he must've fell in a well or something
If you hurry you can still make it
!
Meri-dian.
I know.
You said Meridian? Did Sama-thy tell you about it?
.....
I'm still having hallucina-tions.
Ah, I think I've had so much alcohol?

HEY!
WAIT!
Hey, what are you talking about?
Before they can attract him towards them...
If we hurry, we can make it in time
Radley is half way through the labyrinth.
...to our world
You can bring him back
How...
SBam
Shaa
Shaaa
Where is Radley?
And the sundial?
?!

Oh, we have guests...
Welcome back! Panda Man! Hana.
By people from the other side.
Who are you saying abducted Radley?
What? Damn it!
You saw it didn't you? When he disappeared.
Prepare everything for the hypnosis, Folin.
Radley was abducted.
I under-stand! Please come this way.

Stop screaming in my house
Well then go back to Over Hill an look for Radley, Ringo!
IT WAS JUST A HALLUCINATION. IT'S ABSURD..
BUT IT DOESN'T MAKE SENSE
Yes, partly.
Are they the green creatures?
When I dreamed about the fire I flew right away from Sri Lanka, but...
But he's still young, for him to be abducted so soon...
Radley has a specific mark on him so he's easily targeted
I was being careful.
I'll aswer that question after we get Radley back
It's a long story
So what was that?
A being from the other side...?
Back then...!
AH!
I heard your scream.
Yes
...was you Mam hana.
During the fire, the one that kept the door open...

Shut up! She will look for Radley inside a dream.
Gsh.. Ringo!
usually ..
It's a scam!
Alright, I am going to put you to sleep, Mira
...
OK
Will he be able to hear me?
Call Radley in the dream!
You wil fall asleep.
You can bring him back.
You'll find him immediately.
Call him! Even a wave of your hand is fine
The spiral..?
...towards the spiral.
Sleep.
You must not go near the spiral
And both of you will be taken...
It will generate sparks
Just... no matter what, do not touch his hand
.....

C-can I take photos!
Come back as soon as you find him.
If there is a trick..
RAD-LEY!
RAD-LEY!

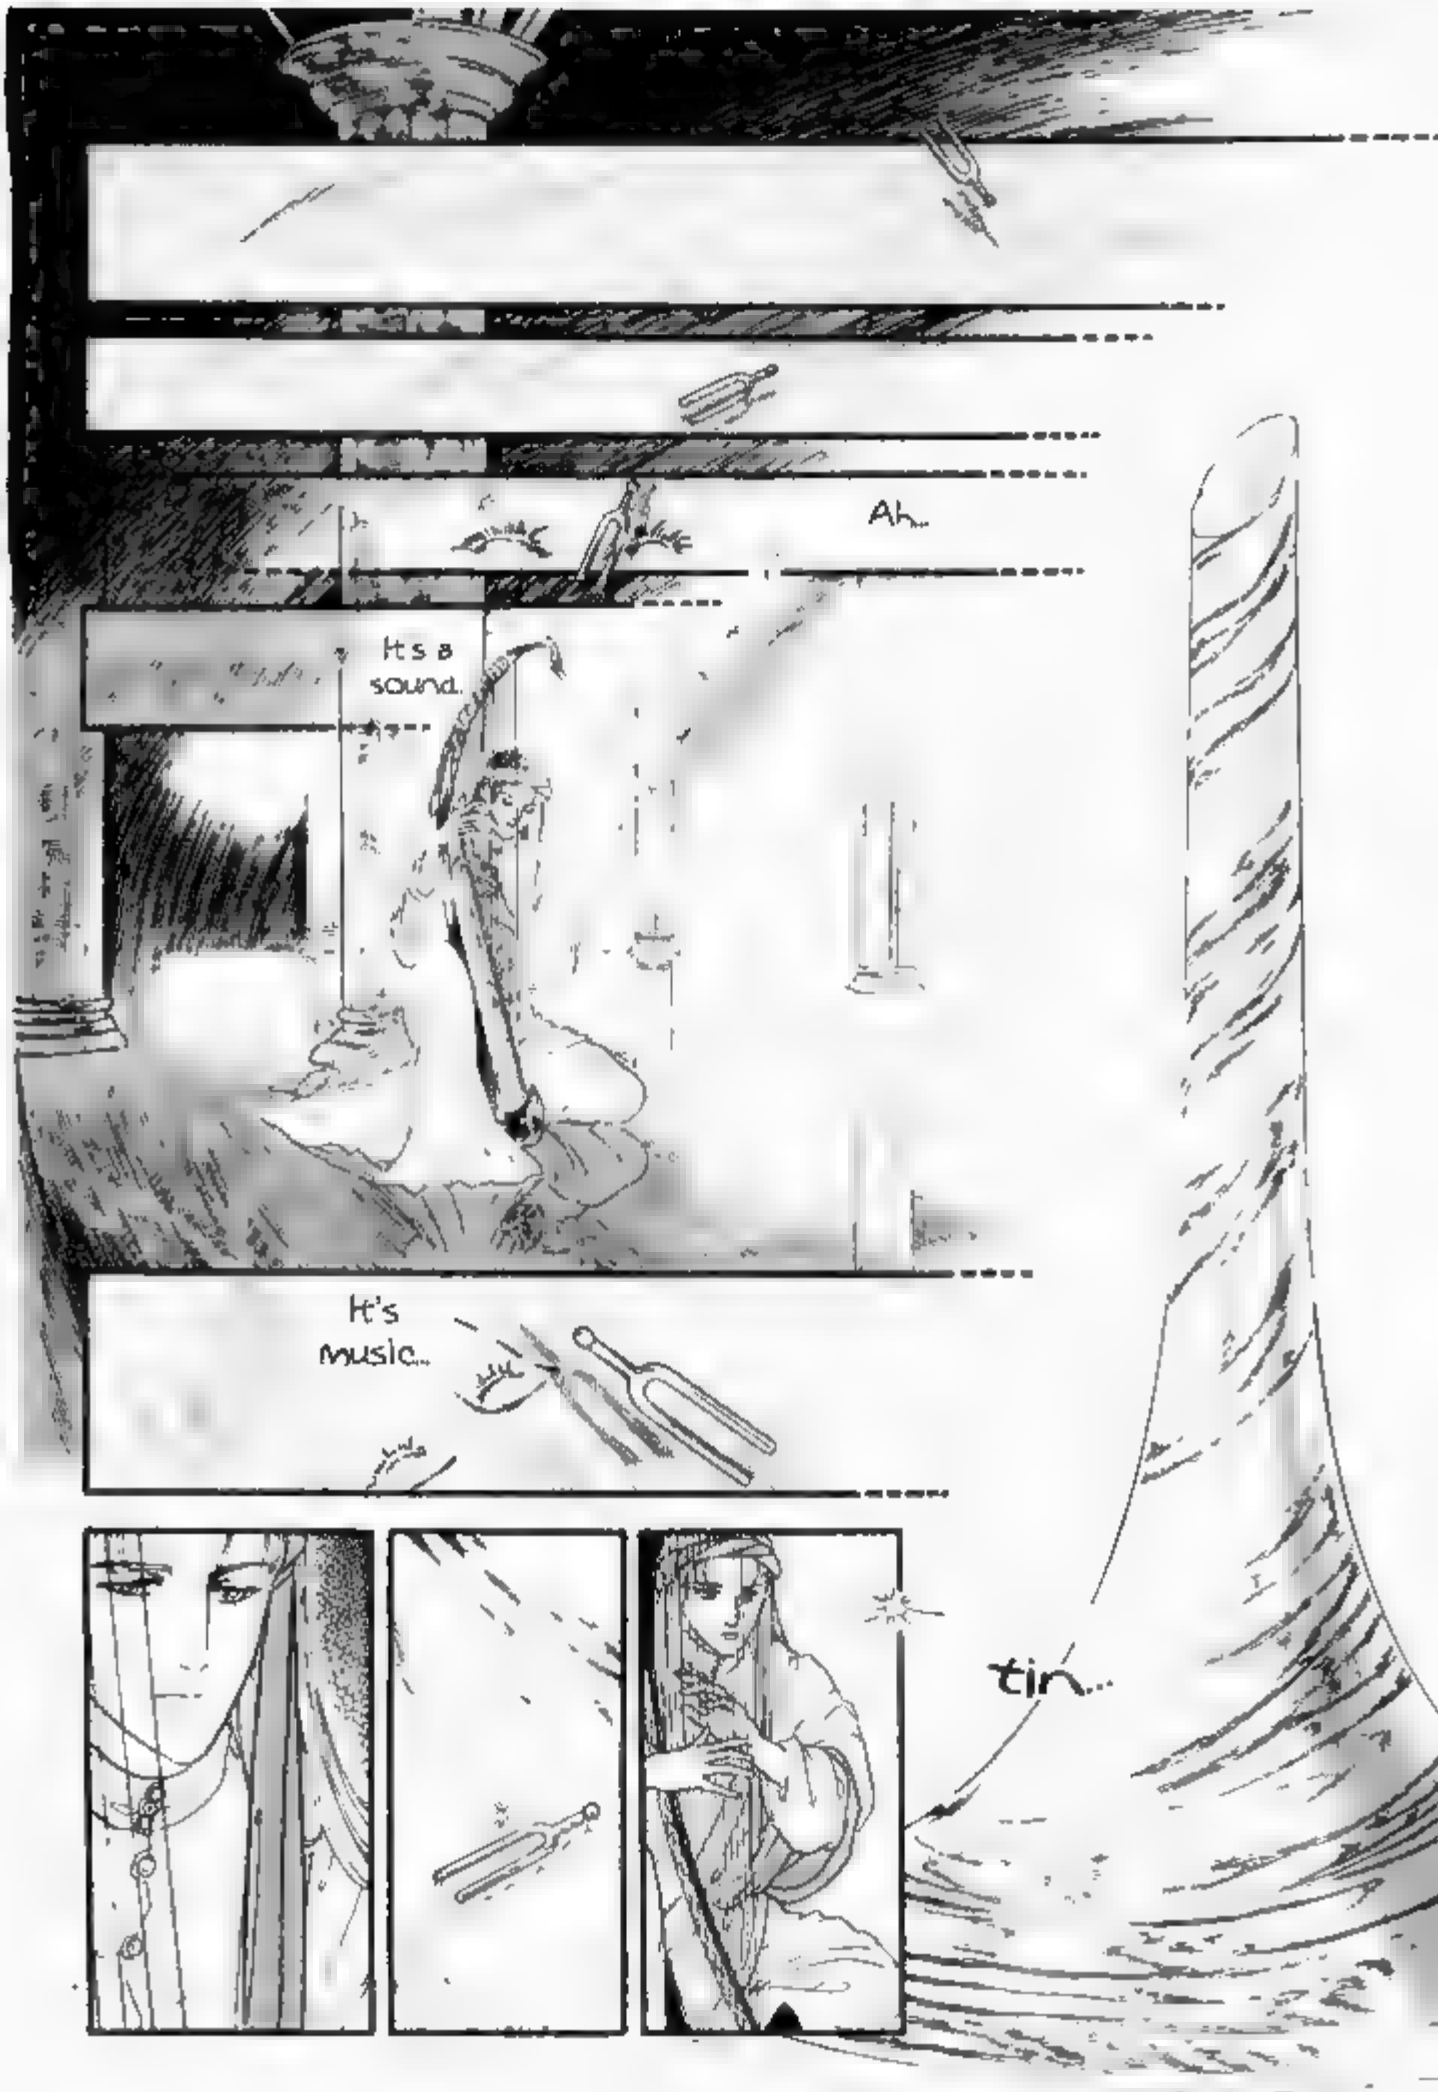
Here!
This way!
You don't need the sundial!
Come here!
Can you fly?
Here!
AHH!
swish
SSh

NO!
Give it up...
AH!
AHHH!

GULP
Is that the spiral?
Help, Samathy!
Help, Mani Mani!
Have I seen it some where?
We're being pulled towards it!
It's the spiral

Ah, what does this mean? Mani Hani...?
What happened? Ehh ..?
.....!
It's the sundial.
Mira?
Mira!
They flew away.. To the other side ..
Her conscience has gone to the other side!
Don't move her! She is in a state of apparent death!
What?
She's not breathing!
MIRA!
YOU DAMN SWIN-DLER!

Try looking at the picture that you just took!
EH?
Hey... Will you stop it?
flip flip
GRAB
The spiral that links our worlds...
The land and the sky are different
It's an alternate dimension.
Then I can't reach them from here anymore.
If they went there...
Hani Mani!
What...!
So, what will happen to... Mira... and Radley?



Ah...
It's a sound.
It's music...
tin...

What happened?
I...
Mm...
It's him. It's Radley's closed off conscience.
...is Radley.
Eh? This.
Something is strange.
Ah!

This is the person reflected in his eyes!
I'm really inside Radley!
The spiral?
...
The spiral?
So far . many people have come flying from the pillar, but ..
...this is the first time that someone has gotten here alive.

SENJI!
I'm here, Remma!
SENJI!
Sama-thy!
Eh!
I was shocked!
No. It's not her But she resembles her a lot
The soldiers?
Absurd
They look threat-ning!
Soldiers from the Temple of Winter are here.
.....
I'm the only one here in the temple of music No one else
It's seems like someone has escaped and he may be here.

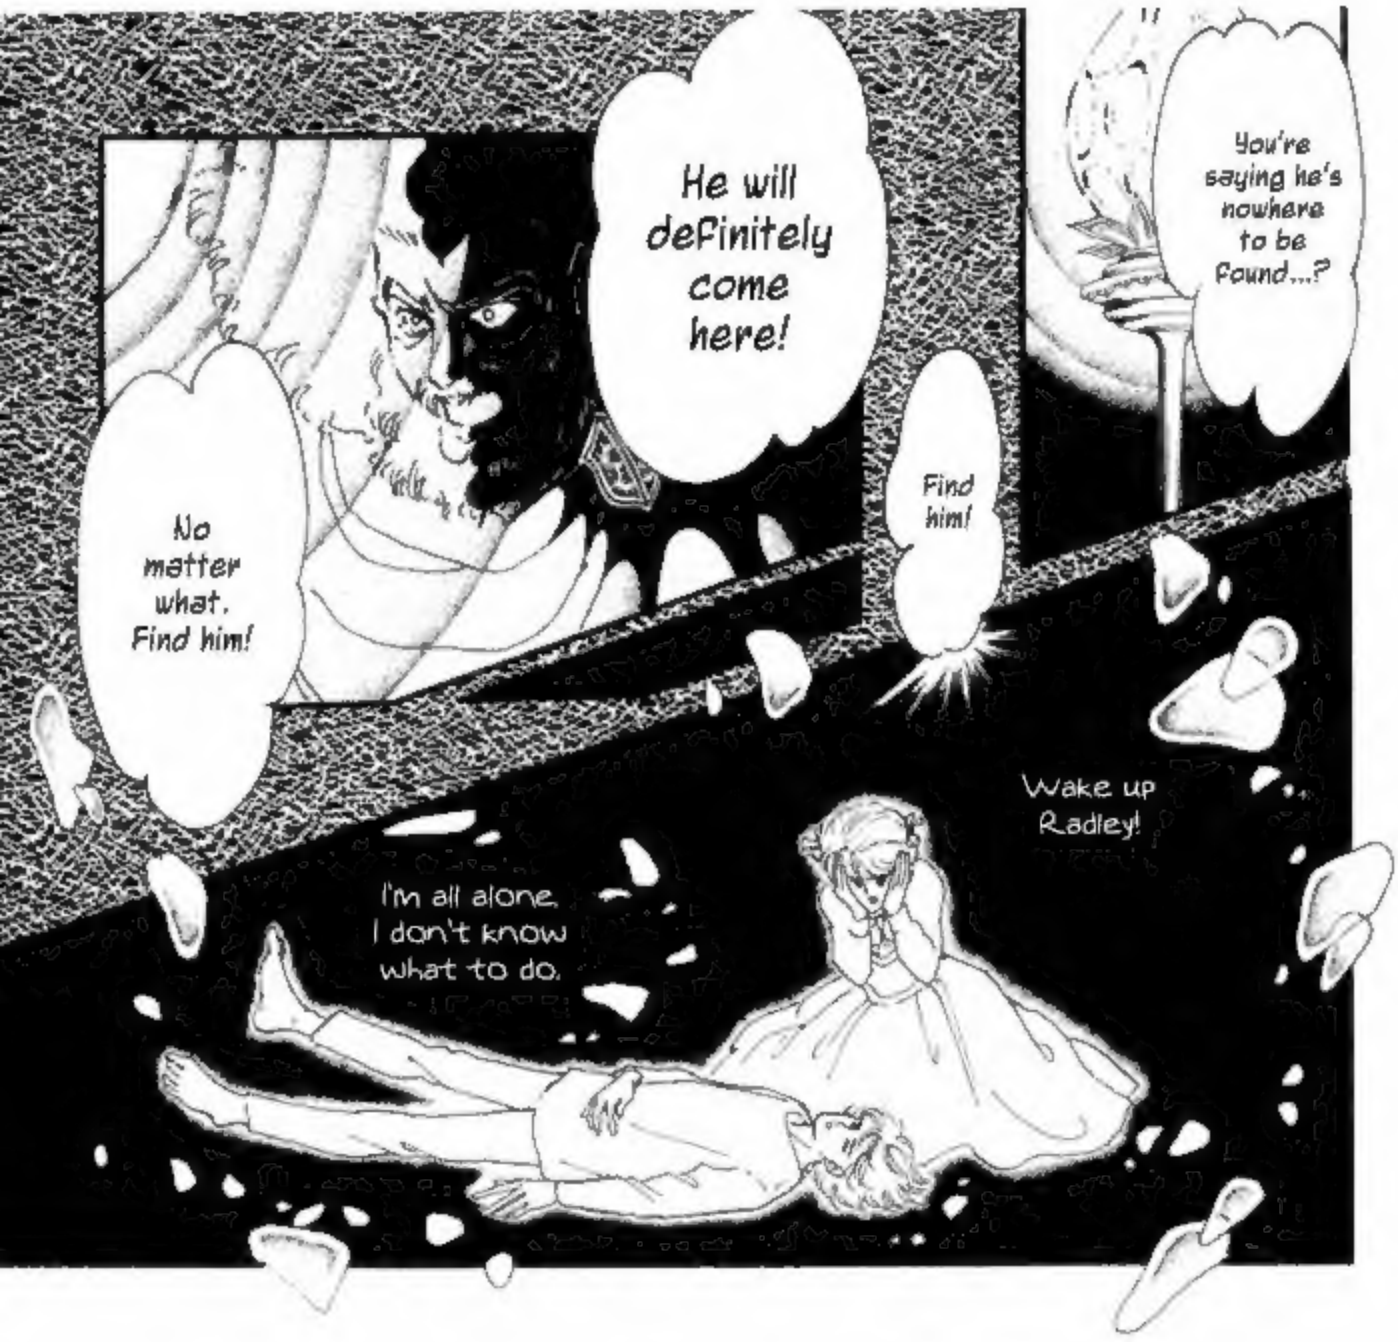
I won't ...
I'd better put a seal on him. Don't tell anyone about it!
What about him?
Umm.
Put a seal? Is it a drug?
No... No, No!
I've never kissed anyone before.
Don't touch Radley!
Radley, wake up! wake up, dammit!

Stand up!
Follow me!
Oh, I see. So it's like a puppet
That's what he meant by "Put on a seal"
Still, what is this place...?
Master musician Senji!
It's an order from the Temple of Winter Let us seach inside the Temple of Music!
Go ahead commander

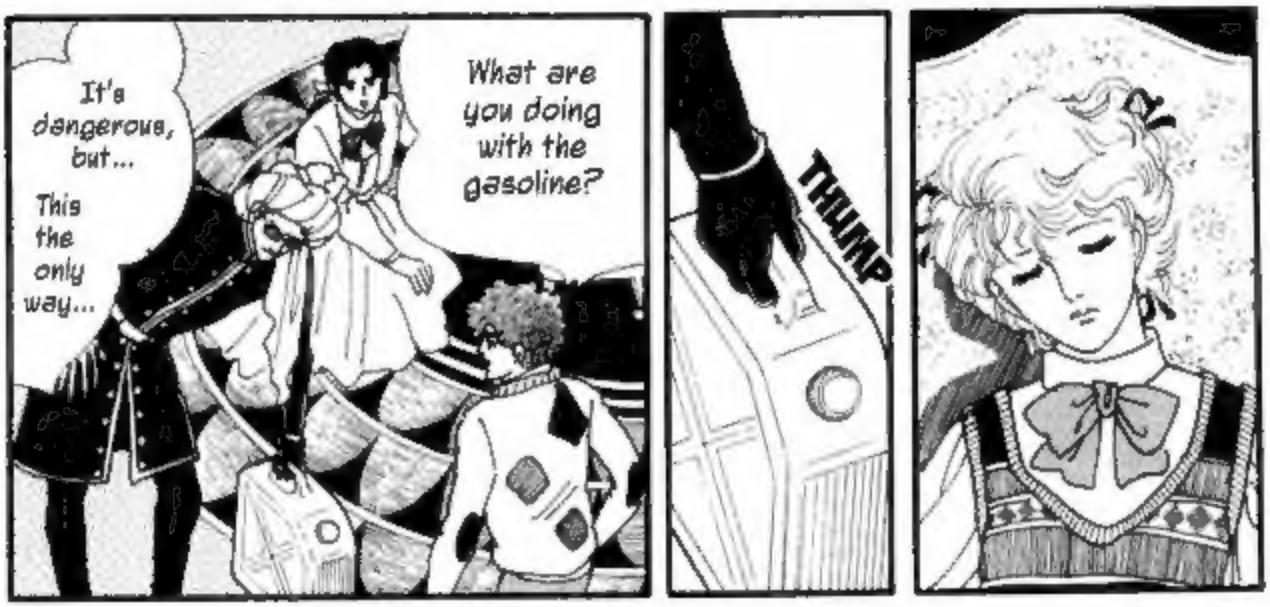
After all, I'm but a humble musician
Move quickly Reema.
TAP TAP TAP TAP
OK
There are...
three suns

"There are two or three suns.."
"It's inter-esting."
"I have different dreams"
"Even Mira has premonitory dreams."
"Really interesting."
Then
Inside the dream..
We were sucked by the spiral
Umm
Wait!
Wai. W
Ah!
UHM.
This is merely a temple of music
GULP
Has anyone passed by, Master?
How? So after the seal was applied we became invisible?
None of the soldiers can see him!
Master, what is this?
It's not just him
The commander can't see me.. I mean can't see Radley.

Impossible! It's not even the "Eclipse "period, I won't take an object from a musician
Shall I give it to you?
Oh
It's peculiar.
It belongs to master musicians. But It's an object of mediocre value...
Search the next territory!
Hey, Let's go!
It's a tuning fork made of a metallic alloy!
What is it Senji?
This place is the other side that Mani-Hani mentioned!
Like I thought.
Come!
It appeared with him
Take him to the room, let's have him rest.
Does that mean
..that green creature is here, somewhere?



He will definitely come here!
You're saying he's nowhere to be found...?
No matter what. Find him!
Find him!
Wake up Radley!
I'm all alone. I don't know what to do.



It's dangerous, but...
This the only way...
What are you doing with the gasoline?
THUMP

toc toc
Some-one is here... Folni!
What is it?
clac
SCREE
IRCOM
Mani Hani, can we save Mira?
...that you took from Over Hill?
Can I please have back Radley and the sundial...
